

Terry, Gloucestershire,

I have recently had a 'French Basket weave Mosaic Floor' installed by Exquisite Woods Ltd. We were very impressed by the web site and invited the firm to tender for fitting a new floor. Dimitri was most helpful in enabling us to make our choice by providing a wealth of information.

When the team arrived on site they were courteous and tidy and always left the site in a clean condition at the end of each day. They fitted the floor according to the specification and showed great attention to detail.

In short Exquisite Woods did a great job and I would be very happy to recommend them.
